A Letter from Our Corsetiere

Madam: I would like to demonstrate that the "Binner" at \$5 to \$15, in every way equals the French Corsets for which nearly double the prices have to be asked. Upon request I will personally fit any visitor, who need feel under no obligation to purchase.

Irene Chadwick

P. S.: For comfort and ultimate economy I recommend two corsets and suggest the "R & G" worn in conjunction with the "Binner."

R & G CORSETS

Prices are as little as \$1.00 and no more than \$3.50. R & G Corsets can be and are endorsed by the Palais Royal Corsetieres—for R & G Corsets are built on no flimsy fad of a day. Years of making corsets for all women—years of buying good boning—years of buying good coutil and batiste—years of building the corset that makes the figure that women want, are back of each R & G Corset.

The 1914 models are especially recommended—because the great variety makes it easy for the corsetiere to find the model to exactly suit her every visitor.

The Palais Royal
Third Floor—Four Elevators

Superlatively Best at the Prices

—and the Prices Are Only \$1.00 to \$3.50

There is an R & G Corset to fit every woman. There are corsets for the tall woman, and the little woman, and the medium-sized woman. There are corsets for the plump lady, or the one frankly stout—for the slim woman—the rounded slender woman—the woman who is just medium. With an R & G and a "Binner" one is assured style, health and comfort for many months to come.

The 89c Table of Last Week—Tomorrow's 69c Table

The May "White Sale" Is Not to Include Any But New Lingerie

The January and May "White Sales" are always preceded with a clearing sale of lingerie. The bargains to be offered tomorrow will not be duplicated until next January. An instance—the lingerie remaining on the great table near the elevator, is to be further reduced, to 69c. Such garments sell here regularly at various prices from \$1.00 to \$2.00. Regular patrons know them, and there will be a merry scramble here tomorrow at only 69c for choice.

The "Hidden Corner" Includes Smallest Lots—But the Greatest Bargains

See tables full on first and third floors—but learn that the best values will be found in the "Hidden Corner." Look for Combination Garments and Separate Gowns, Skirts and Chemise at 46c, and for the Short Skirts, Corset Covers and Drawers to match at only 39c, and find garments that were to \$1.00 are in these lots. Only 25c for the "Knickerbocker" Drawers and Dainty Crepe Corset Covers with real linen lace trimming. Real Japanese Kimonos are only 99c. And think of only 59c for real "Heatherbloom" Petticoats!

"Where is the Hidden Corner?" On first floor, northeast, back of the elevators. A sign shall be there tomorrow.

Don't leave this third floor without an inspection and trying on of these dainty House Dresses.
